# Challenges

---

---

Critical shortage

Quality/standard of care

Quality of work life for nurses

Nursing as a career of choice (image)

Nursing in the changing health care system

Impact of globalisation on nursing service

Decline in number of students entering the profession

Nurses leaving the profession

Transformational leadership

Maintaining high standard and quality of nursing practice

Improving the quality of work life for nurses

Adequate resources and support system

Restoration of the image of nursing

Good quality education and training

Recruitment and retention

***“we’re all going to end up in bed some time-  
I want to be sure there’s a nurse for me  
when that time comes.”***

***mary streitwieser***
